

**HOOKSETT SCHOOL DISTRICT
BUDGET IMPLEMENTATION**

It is the intent of the Hooksett School Board to limit spending to the amount specified in each line item for the budget.

Occasionally it may be necessary to overspend a particular line item. The Superintendent or designee shall inform the school board in instances where an expenditure results in a \$10,000.00 overrun, at which time the board will have the opportunity to authorize the school district to proceed with the expenditure, if a transfer is required from one function code series to another.
