

Hooksett Transportation Committee Meeting

September 2, 2021 1:00 pm via zoom

Present: Jillian Godbout, Jim Sullivan, Amy Ransom

Re: Request from Bobbi Jo and Tyler Edsall to locate a stop at Quality Drive

Amy Ransom explained to the committee how the district's routes and stops are created (number of buses for high school, middle and elementary) and explained the location of the current stop of Goonan and 3A. The email received from Tyler Edsall was reviewed and Amy's emails with Mrs. Edsall were also reviewed by the members of the committee.

Discussion about the distances for the student to walk to Goonan or West River Rd were reviewed. It was noted that bus stops can be located up to 1 mile from the student's home. Goonan and 3A is the location the district has proposed (West River Road and Kohl's is mentioned in the emails as an alternative the district offered).

The safety of the area was discussed. Jillian Godbout said she was familiar with the area. In Jim Sullivan's roll as a selectman in Hooksett he had not heard that this area is considered to be a dangerous road in Hooksett but he would look into it.

Jim Sullivan made a motion that as a result of the discussion on the issue of the bus stop being located a Quality Drive the transportation committee would be denying the request. Jillian Godbout seconded the motion. The motion passed 2-0

The stop will remain at Goonan and 3A.

Meeting adjourned 1:21 pm

Respectfully submitted,

Amy R. Ransom
