NEW BUSINESS

Administration Surveys

This will be on the January 17 agenda.

Trinity MOU

Bill Rearick said the Board wanted the policy committee to draft a policy, but that this was a larger scope than a policy committee should attempt to create and for its specifics should be outlined by the full Board. Wayne Goertel stated that the Board must decide what schools should be candidates for entering into Memorandum's of Understanding (MOUs) with. Jillian Godbout stated that this isn't as easy as it sounds and stressed that the Board do considerable research before doing so. She said they run the risk of having to open it up to a number of schools whose admissions timelines are different as well as for some schools who won't have necessary programming available, making special education services unavailable in-house. Jim Sullivan said adding additional school MOUs will affect the required percentage necessary and will dilute the pool going to Pinkerton. Amy Tremblay said she is for school choice, but as a tax payer expressed her concern with tax dollars being paid to the Diocese of Manchester who is under no obligation to provide financial disclosure. Jason Hyde asked for a legal opinion to clarify exactly what the law requires. Bill Rearick said he had received a legal opinion from the district's attorney. Regarding concerns with those not wanting tax dollars to go to a private school, Jason reminded the Board that Pinkerton Academy is not a public school. Wayne Goertel stated that MOU schools should be based on

location, date of acceptance, accreditation, fiscal transparency, and if the Board wanted to pay for private school(s). Bill Rearick said he will get a second legal opinion to clarify the Board's questions. Jason Hyde said an MOU could be crafted to waive registration fees. Cawley Principal Matt Benson reminded the Board of other private and parochial schools that Hooksett students currently attend which include Central Catholic, Phillips Exeter, Bishop Guertin, Bishop Brady, and the Derryfield School.

Draft Calendar

Bill Rearick stated that the Presidential primary date is still to be determined. He said the HEA requested that school begin before Labor Day. The calendar will be on the January 17 agenda for further review.

Churchill Road Bus Stop

Considerable discussion ensued relative to the lack of a bus stop at Churchill Road. Bill Rearick stated that it is the policy of the Board to not allow buses to access unapproved roads. Jim Sullivan said this particular road is expected to be approved at the January 5 town council meeting. Jason Hyde suggested that the Board waive the policy until the road is approved by the town. Concerns regarding poor weather conditions at that stop were discussed as well.

Motion by Jillian Godbout, seconded by Wayne Goertel, to approve allowing a bus stop on Churchill Road, as long as there is no snow or other unfavorable road conditions, and the motion carried unanimously.

Improve Testing Board Goal

Wayne Goertel stated that testing was discussed at the Board's ad hoc meeting. Jason Hyde said the Board is questioning how often tests are conducted, why they are conducted, what is done with test results, and what tests are required. Considerable discussion ensued and the Board discussed the role of the Board with regard to testing and curriculum. Jason Hyde said the conversation began with questions from the public. Bill Rearick asked the committee to provide him with specific questions of which he and his professional staff will provide answers.

Policy Master Index

Another items from the ad hoc meeting was the indexing of policies. Jason Hyde provided an example and Bill Rearick stated his staff would work on creating a policy index.

HESPA Contract

At the November 15 meeting, the Board voted to increase HESPA salaries. Because this needs to be a warrant article, the Board needed to make the language for the ballot.

Motion by Jason Hyde, seconded by Jim Sullivan, to approve the HESPA contract for 2023/2024 school year as a warrant article for a wage adjustment in the amount of \$345,481.51. Board Clerk Amy Tremblay took a roll call vote and the motion carried unanimously.

At 8:10 p.m., the Board took a 10 minutes break.

The Board resumed at 8:20 p.m.

He said that he felt that distribution of teachers is currently unfair and that the district needs to support allocating resources at the younger grades. He also questioned if there was a wage pool and asked when and if the public has a say in bonuses or administrators salaries. Bill Rearick stated there is no wage pool.
