

March 11, 2021 Teacher Appreciation Sun committee Meeting minutes

Attendance: Jillian Godbout, Wayne Goertel

Time: 6:00pm

Discussion of how many staff we have in the district and that we want to cover all staff including subs that have worked more than 20 days with the district. Discussion of how much we wanted to budget for this purpose. We want to make sure the gift works for all staff. We also discussed what packaging and shipping could look like and it's cost. We are leaning in one direction but want to bring our information forth to the full board before making decision. Will have a report to report out to the board at our meeting on the 16th of March.
