HOUSETT SCHOOL DISTRICT CHICKETT SCHOOL DISTRI

Session 1 Saturday, February 3, 2024 at 1:00 p.m.

Session 2 Tuesday, March 12, 2024 6:00 a.m. to 7:00 p.m.

INTRODUCTION

The information included in this 2024 School Meeting Guide is that data required to inform the voters and to conduct the affairs of the 2024 School Meeting. You are notified to meet at the David R. Cawley Middle School on Saturday, the 3rd day of February 2024 at 1:00 p.m. for the first session of the School Meeting to discuss and amend as required, the 2024-2025 School District Budget and Warrant Articles. The final ballot vote for School District Warrant Articles will take place at the David R. Cawley Middle School on Tuesday, the 12th of March 2024. The polls will be open from 6:00 a.m. to 7:00 p.m.

HOOKSETT SCHOOL DISTRICT 2024-2025 WARRANT ARTICLES

Article 1: To choose the following school district officers:

| a) | Two School Board Members | 3-year term |
|----|---------------------------|-------------|
| b) | One School Board Member | 1-year term |
| c) | School District Moderator | 2-year term |
| d) | School District Clerk | 2-year term |
| e) | School District Treasurer | 2-year term |

Article 2: Shall the Hooksett School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$41,422,137? Should this article be defeated, the default budget shall be \$40,846,130, which is the same as last year, with certain adjustments required by previous action of the Hooksett School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. Estimated tax rate: \$9.30 (increase of \$.79 over prior year). (Recommended by the School Board 5-1) (Recommended by the Budget Committee 6-4)

Explanation:

The purpose of this article is to provide the Hooksett School District's operating budget for the next school year, 2024-25. The budget proposed by the Hooksett School Board is \$41,422,137. If this proposed budget is not approved by the voters, a default budget of \$40,846,130 will be used instead.

The default budget is defined by state law, and is essentially the current (2023-24) operating budget plus next year's contractual obligations. The "proposed budget" includes some additional requests of taxpayers beyond the default. For reference, the current school operating budget approved by voters in March, 2023 was \$38,442,000 (total gross appropriation including grants and food services).

The larger contractual obligations increasing the default budget include:

- 1. Staff contracts approved by voters in March, 2023. The \$38.4 million operating budget on the ballot did not include any increases for salary, retirement contribution, or benefits for teaching staff, nor the contract adjustment for support staff, as those were separate warrant articles.
 - a. The HEA (teacher) contract had estimated cost increases of \$414,352 for 2023-24, and \$427,221 for 2024-25.

- b. The HESPA (support staff) contract was modified to increase hourly rates by \$4.00/hour at a cost of \$345,482.
- c. These effectively increased the current (2023-24) budget by \$760,000 (to \$39.2 million), and then the 2024-25 budget by \$1.2 million.
- 2. Special education costs, both in number of students qualifying for services and cost of providing services, increasing nearly \$1 million. Special education plans are legal obligations.
- 3. High School regular education tuition, up 5.84% to \$16,308/student, to \$8.6 million for 529 students
- 4. Health insurance increases, up 3.6%
- 5. Transportation increases, both regular education and special education, up \$315,000 to \$2.7 million
- 6. Retirement bonus for three retiring teachers, a total of \$112,000

The proposed school budget is 575,997, or 1.4% more than the default budget. Notable requests for the proposed budget include:

- 1. One current position no longer funded by grants
- 2. Student information access fees, currently paid from grant funding which will expire
- 3. Scheduled building maintenance
- 4. Repairs to HVAC units at two schools
- 5. Accounting for increased cost of supplies

Please note that a proposed new HESPA contract for 2024-2027 is a separate warrant article, so the proposed operating budget for next year doesn't include those changes.

Article 3: Shall the Hooksett School District approve the cost items included in the collective bargaining agreement reached between the Hooksett School Board and the Hooksett Education Support Professionals Association, which calls for the following increases in salaries and benefits at the current staffing level over those paid in the prior fiscal year:

| Year | | Estimated Increase |
|-----------|----------|--------------------|
| 2024-2025 | \times | \$171,912 |
| 2025-2026 | | \$ 76,647 |
| 2026-2027 | | \$ 76,647 |

and further to raise and appropriate \$171,912 for the 2024 - 2025 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels? Estimated tax rate impact is \$.05. (Recommended by the School Board 6-0) (Recommended by the Budget Committee 9-1)

Explanation:

The HESPA contract specifies salary and benefits for the following school district employees: paraprofessionals, custodians, administrative assistants, Title 1 tutors, and nutrition assistants (food service). About sixty positions, some part time, are covered by this agreement. When the district is unable to fill positions, the district must hire contractors to meet staffing needs, and in the case of paraprofessionals the positions are legal obligations. This proposed agreement narrows the salary gap between positions, and offers a competitive wage to help recruit more indistrict employees to decrease the district's reliance on contracted services.

Last year, voters approved an out-of-contract \$4.00/hour increase worth \$345,000 in salaries and benefits, to bring up hourly wages for covered positions to be more competitive, after seeing large increases in rates for many of these positions at alternative employers. Regrettably, our district still has trouble filling many positions.

The inability to fill open positions has required using contracting agencies, which often pay contract staff higher hourly wages and also charge for the service of finding and placing contract employees. For example, in the Hooksett School Board packet for January 16, 2024, the Monthly Enrollment Report notes that of 37 paraprofessionals, only 10 are directly employed by the district whereas the other 27 are contracted. A year ago, there were 28 paraprofessionals, with 7 directly employed and 21 contracted.

The various positions have varying starting rates, and it is perhaps no coincidence that the three positions hardest to fill - paraprofessionals, custodians, and food service - have the lowest rates in the current salary schedule. This proposed agreement offers year 1 increases for Paraprofessionals and Custodians of \$1.56, and Nutrition Assistant of \$1.08, to fill in gaps with the lowest paid staff on the salary chart to bring them up to - or closer to - other starting positions. All positions then see \$1.00/hour increases for each of the three years of the proposed contract.

| | New Hire Hourly Rates | | | | | | | | | |
|-----------------------------|-----------------------|---------|---------|---------|--|--|--|--|--|--|
| Unit Position | 2023-24 | 2024-25 | 2025-26 | 2026-27 | | | | | | |
| Administrative Assistant | \$19.15 | \$20.15 | \$21.15 | \$22.15 | | | | | | |
| Custodian | \$17.53 | \$20.09 | \$21.09 | \$22.09 | | | | | | |
| Lead Custodian | \$20.23 | \$21.23 | \$22.23 | \$23.23 | | | | | | |
| Nutrition Assistant | \$15.36 | \$17.44 | \$18.44 | \$19.44 | | | | | | |
| Nutrition Supervisor | \$20.23 | \$21.23 | \$22.23 | \$23.23 | | | | | | |
| Paraeducator | \$17.53 | \$20.09 | \$21.09 | \$22.09 | | | | | | |
| Title I Tutor | \$23.48 | \$24.48 | \$25.48 | \$26.48 | | | | | | |

The Board believes this proposed agreement creates a compelling contract for our valued staff which it covers, with rates higher than many peer districts. It is important to note that total compensation for these positions may also include a NH Retirement System contribution benefit of \$4-\$6/hour (~20% of salary), and an excellent healthcare plan with employee contribution rates that are extraordinarily small. For example: the school district's family health plan costs nearly \$37,000 next year, of which the district pays \$33,500 for eligible staff covered by the HESPA contract. Other employers simply do not offer this caliber health plan at these very low employee contribution rates.

Article 4: Shall the Hooksett School District authorize the School Board to enter into a multi-year (15 year) lease purchase agreement in the amount of \$13,342,119 for the purpose of replacing the Memorial, Cawley and Underhill Schools' ventilation systems as well as upgrading existing energy management system controls and installing high efficiency boilers at each of the schools and completing roof replacements at both the Memorial and Cawley Schools; and to raise and appropriate the sum of \$1,229,558 for the first year's payment for that purpose? This lease agreement will contain an escape (non-appropriation) clause. Future payments on the lease will be offset by guaranteed energy savings and a reduction in fuel utility costs for the district. Estimated tax rate impact is \$.40. (Majority vote required) (Recommended by the School Board 4-2) (Recommended by the Budget Committee 7-3)

Explanation:

The Hooksett School Board proposes a \$13,342,119 maintenance project for significant work at all three schools, notably two roof replacements, structural improvements, replacement ventilation units, and replacement boilers. The roofs, boilers, ventilation, and energy management systems are at the end or beyond the end of their lifespan, and routine maintenance on each will become more difficult and expensive.

The last major capital improvement project in the Hooksett School District was for the construction of David R. Cawley Middle School and significant renovations at Hooksett Memorial School over twenty years ago. A large amount of equipment is thus reaching the end of forecast operational life at the same time. Ultimately, the project - if approved by voters - wouldn't start in earnest until summer, 2025.

This work is proposed as a 15-year lease, with the yearly payment ultimately based on current financing rates should the warrant be approved by voters. It should be noted that municipal borrowing rates are lower than consumer or commercial rates because they are tax-exempt. The Board specified a 15-year term instead of a 20-year term, as the shorter term comes at a lower rate and substantially lower total interest paid. Financing via lease, as opposed to a bond, provides options for savings if the project runs under budget, the district is able to pay ahead of schedule, or refinancing at a future lower rate.

The entire Board supports the maintenance project. The 4-2 recommendation centers around the financing of the project with a lease vs. a traditional bond, as a bond tends to have a lower rate. New Hampshire law RSA 33:7-e specifies that a lease can be passed with 50% vote, as opposed to a 60% approval required for a bond.

Article 5: Shall the Hooksett School District vote to raise and appropriate the sum of \$100,000 to be added to the Technology Expendable Trust Fund previously established in March 2008? Estimated tax rate impact is \$.03. (Recommended by the School Board 6-0) (Recommended by the Budget Committee 7-3)

Explanation:

This fund addresses the growing needs of technology in the school district. As a result of federal grants during the pandemic and prior planning, the district is able to provide one computing device for every student and faculty member to support individualized instruction and learning. These devices require licensing and other support infrastructure such as networking or security. The devices have a finite lifespan so must be replaced on a regular basis. Periodic contributions to the trust fund will prevent having to budget for these large technology projects in a single year's operating budget. Hooksett School Board did use funds from this Trust in spring 2022 to offset the cost of the purchase of 150 new chrome books for students. The use of this technology will provide students with critical skills to function in the modern workforce.

Article 6: Shall the Hooksett School District vote to raise and appropriate the sum of up to \$150,000 to be added to the Special Education Expendable Trust Fund previously established in March of 2001? This sum to come from June 30, 2024 fund balance available for transfer on July 1, 2024. No amount to be raised from additional taxation. Estimated tax rate impact is \$0.00. (Recommended by the School Board 6-0) (Recommended by the Budget Committee 9-1)

Explanation:

This fund would be established to address unanticipated special education costs without having to impact the overall yearly budget. School districts are required to provide Special Education services under state and federal law. July 1, 2022 the State law changed to now charge school districts to cover the expense of education through the age of 22. For the school year of 2022-2023, the Hooksett School District utilized this fund to cover unanticipated expenses from an increasing number of students receiving special education services. Contributions to this established trust fund would allow the district to cover financial obligations such as out-of-district placements, as well as any specialized services required by students who move into the district.

Article 7: Shall the Hooksett School District vote to raise and appropriate the sum of up to \$100,000 to be added to the Building Maintenance Expendable Trust Fund previously established in March 2020? This sum to come from June 30, 2024 fund balance available for transfer on July 1, 2024. No amount to be raised from additional taxation. Estimated tax rate impact is \$0.00. (Recommended by the School Board 4-2) (Recommended by the Budget Committee 10-0)

Explanation:

This fund addresses the needs of school buildings and properties. The school buildings and facilities require periodic large maintenance projects such as heating and cooling replacements, paving, or roof replacement. Periodic contributions to the trust fund will prevent having to budget for these large projects in a single year's operating budget.

Given under our hands and seal at said Hooksett, New Hampshire, this _____ day January, 2024.

SCHOOL BOARD OF HOOKSETT, NEW HAMPSHIRE Wayne Goertel, Chair Jillian Godbout, Vice Chair Amy Tremblay, Clerk

2024 MS-DSB

Default Budget of the School District

Hooksett Local School

For the period beginning July 1, 2024 and ending June 30, 2025

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.
